RECEIVED  
APR 26 1993  
FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

PETITION FOR LEAVE TO AMEND

Aurio A. Matos ("Matos"), by his counsel and pursuant to Section 73.3522(b) of the Commission's Rules, hereby petitions for leave to amend the captioned application to report his divestment of all interest in non-commercial educational FM Station WJDZ (now, WKVN-FM), Levittown, Puerto Rico ("WJDZ"). The Amendment is attached hereto as Exhibit A.

1. When Matos filed his Culebra application, he reported that he was the president of Community Educational Group Corp. ("CEGC"), which was the licensee of WJDZ. In the application, he also promised to divest any and all interest he had in WJDZ upon grant of the Culebra application. (See Exhibit 1, of Matos' Culebra application, attached hereto as Exhibit B).

2. On January 24, 1992, CEGC filed an application to request FCC consent to the assignment of the licensee of WJDZ to Clamor Broadcast Network ("Clamor"), an entity with which Matos has no connection. The application was placed on public notice, and was subsequently granted by the Commission on May 20, 1992. The

transaction was reported as consummated on July 22, 1992. Matos' instant Culebra application was never amended to reflect the fact that the assignment of WJDZ had taken place. Matos seeks leave to amend his application to reflect the assignment of WJDZ and the divestment of all of his interest in that facility.

3. Acceptance of the amendment will cause neither delay in the hearing nor the addition of issues, nor harm to the competing applicant. The assignment application was subject to Public Notice and a Notice of Consummation was timely filed with the Commission. Further, in his Culebra application, Matos had made a timely pledge to divest his interest in WJDZ in the event his Culebra application was granted. As a result, Matos neither seeks nor will gain any comparative advantages from the grant of the proffered amendment.

WHEREFORE, it is respectfully requested that the instant Petition for Leave to Amend be granted and the amendment to the Matos application be accepted.
